Dear Valued Customer,

The merger is complete! As of June 1<sup>st</sup>, **North Coast Signal** has officially merged with **Advanced Security Systems**.

This merger provides North Coast Signal customers increased security services while continuing to offer the local service and response you've come to trust.

Advanced Security Systems is a family owned and operated company with over 45 years of service in northern California. As second-generation alarm professionals, we believe that our family values and community service have been the cornerstone of our success.

The advantages for North Coast Signal customers include:

- **24 Hour "On Call" Technicians** to provide service 24-hours a day, 365 days a year.
- **Locally owned and operated Monitoring Center** providing seamless monitoring, service, and tracking of alarm activity.
- **Factory Trained and Certified Technicians** ensuring professional service.
- **Easy payment** including Autopay and quarterly, monthly, or annual billing cycles.
- **Online Bill Pay** via credit card from our website [www.advancedsecurity.us](http://www.advancedsecurity.us)

Please continue to use the North Coast Signal phone number, 707-962-0333. As of June 1, we will answer your calls with the name Advanced Security Systems. When North Coast Signal visited your premises to make the necessary adjustments to your alarm system, they provided you with our **alarm monitoring center number, 888-825-2761**. Calls to this number are answered "**Advanced Security Dispatch**".

They provided you with a new secure account number during that same visit. *Please retain your new account number in case you ever wish to change any account information.* It is an alpha-numeric code, beginning with the letter "C", for example, C1234.

Please contact us with any concerns or questions you may have. All of us at Advanced Security Systems welcome you as clients and look forward to serving your security needs.
