## BURGLARY BY THE NUMBERS

### WHAT THEY USE TO BREAK IN

70% of burglars use some amount of force to enter a dwelling, but they prefer to gain easy access through an open door or window.

### WHAT THEY STEAL

Favorite items to steal are cash, jewelry, guns, watches, laptop computers, tablets, DVR's and other small electronic devices.

- ⇒ Burglars bypass houses that require effort
- ⇒ A home without an alarm is 2-3 times more likely to be burgled.
- ⇒ Police officials surveyed believe alarms deter burglars.

WHERE THEY BREAK IN

14  
seconds

A burglary occurs somewhere in the United States every 14 seconds.

Most residential burglaries occur from 10am to 3pm when people are at work or school.

10 AM  
to 3 PM

8-12  
minute

From time of entry, burglars spend an average of 8-12 minutes in your home.

Police clear about 13% of all reported burglaries and rarely catch the thief in the act.

## EMPLOYEE SPOTLIGHT.....

### BLAINE BERMERS

Blaine Bermers is a Security Consultant for the Eureka Division with over 10 years of industry experience. His strengths include the ability to listen and understand the customer's needs and design a new system or upgrade an existing system. This allows him to custom design the best possible solution based on his customer's needs. Blaine specializes in residential & commercial alarms, video surveillance, and access control. Blaine dedicates much of his time in the local community, supporting the Special Olympics, as member of the TIPS club, BNI and always lending a helping hand when needed. Born and raised in Eureka, Blaine spends most of his free time at Ruth Lake with his wife Jamie and their two sons Ridge and Ryker. Blaine is a valued team member at Advanced Security and we appreciate all his hard work and dedication.

**WITH ADVANCED SECURITY'S TOTAL CONNECT REMOTE SERVICES, YOU CAN STAY CONNECTED AND IN CONTROL OF YOUR HOME WHENEVER YOU WANT, WHEREVER YOU ARE ON THE SAME MOBILE DEVICES YOU USE EACH AND EVERY DAY**

- Remotely arm, disarm or check the status of your security system.
- Keep an eye on your home, family, pets and possessions 24/7 with live, look-in video.
- Keep tabs on teenage and elderly drivers, vehicles and assets with GPS tracking.
- Get real-time text, email and video alerts about important events, like a child getting home from school, a gate being open or a flood being sensed.
- Save money and energy with remote control of lights, locks, thermostats and more.
- Have video clips sent to your central station when an alarm is tripped—letting monitoring personnel look in, determine event severity and arm emergency responders with the information they need prior to arrival onsite.
